

The MicroColor Mosaic™ Illuminated Colour Display System

It puts the impact of colour where you want it.
A powerful promoter.

Vivid, vibrant colour delivers your message as nothing else can. Our CIBACHROME® transparencies provide the brilliance and sharpness you want and the stable, long-lasting images you need. Frame them in the MicroColor Mosaic display and bring out their best qualities.

A strong communicator in

- Car Dealerships
- Restaurants
- Hotels
- Banks
- Museums
- Travel Agencies
- Retail Shops
- Estate Agencies
